Charitable Donation Request Application

Charitable Guidelines: Grantsville City takes pride in our generous support of various causes in the community. However, we get far more requests for donations than we are able to satisfy. These guidelines are intended to help streamline the process and give you an idea of the kinds of support we might consider.

Things to consider before submitting a request:

- We only consider requests that benefit our community.
- We prefer 501(c)(3) organizations.
- Regretfully, we are not able to assist individuals raising money to go on a trip where the benefit is not to a team, school or the community but to the individual (example: student ambassador programs, student leadership conferences, cheerleading competitions, etc.). We are also not able to help individuals who need help for a personal crisis or medical problem.
- We are not able to assist individuals seeking pledges for charity walks or runs.
- We offer scholarships for students attending Grantsville High School planning to attend one of the local post high school programs. For that reason, we are not able to contribute to other scholarships' fundraising efforts.
